

## Bob Worrall

### SVP and Chief Information Officer

Bob Worrall joined NVIDIA in 2011 as senior vice president and chief information officer, with responsibility for deploying innovative technologies to enhance employee productivity and improve cost efficiencies.

Worrall previously spent more than two decades at Sun Microsystems, including his last six years as chief information officer. He also held a variety of roles in the Sun's IT organization, including vice president of applications and vice president of IT operations. He has extensive international business experience, including a two-year assignment in The Netherlands.

Worrall holds an MBA and a bachelor's degree from California State University, East Bay.

### About NVIDIA

Since 1993, [NVIDIA](#) ( NASDAQ : NVDA ) has pioneered the art and science of [visual computing](#). The company's technologies are transforming a world of displays into a world of interactive discovery — for everyone from gamers to scientists, and consumers to enterprise customers.
