

NVIDIA Announces 2015 CES Press Conference, Live Webcast Coverage

NVIDIA today announced that it will hold a press conference at the 2015 International Consumer Electronics Show (CES) on Sunday, Jan. 4, 2015, which will be [webcast live](#).

The invitation-only event begins at 8 p.m. PT at the Four Seasons Hotel in Las Vegas. Interested parties can watch a live webcast, available on the [NVIDIA blog](#). A replay will be available for seven days.

At CES, NVIDIA will unveil new mobile and automotive technologies. The company will have a presence at the Las Vegas Convention Center's South Hall 3, booth 30307.

To follow the company's news at CES, visit the [NVIDIA newsroom](#). It will include news, photos, videos and social media updates throughout the week.

About NVIDIA

Since 1993, [NVIDIA](#) (NASDAQ: NVDA) has pioneered the art and science of [visual computing](#). The company's technologies are transforming a world of displays into a world of interactive discovery -- for everyone from gamers to scientists, and consumers to enterprise customers. Certain statements in this press release including, but not limited to, statements as to NVIDIA's participation at CES 2015 and the unveiling of new mobile and automotive technologies are forward-looking statements that are subject to risks and uncertainties that could cause results to be materially different than expectations. Important factors that could cause actual results to differ materially include: global economic conditions; our reliance on third parties to manufacture, assemble, package and test our products; the impact of technological development and competition; development of new products and technologies or enhancements to our existing product and technologies; market acceptance of our products or our partners' products; design, manufacturing or software defects; changes in consumer preferences or demands; changes in industry standards and interfaces; unexpected loss of performance of our products or technologies when integrated into systems; as well as other factors detailed from time to time in the reports NVIDIA files with the Securities and Exchange Commission, or SEC, including its Form 10-Q for the quarterly period ended October 26, 2014. Copies of reports filed with the SEC are posted on the company's website and are available from NVIDIA without charge. These forward-looking statements are not guarantees of future performance and speak only as of the date hereof, and, except as required by law, NVIDIA disclaims any obligation to update these forward-looking statements to reflect future events or circumstances.
