

Brian M. Kelleher

SVP, GPU Engineering

Brian Kelleher has served as senior vice president of GPU engineering since 2005. He leads the GPU product development organization.

Prior to joining NVIDIA in 2000, Kelleher was vice president of hardware engineering at 3dfx Interactive Inc. Earlier, he founded Dynamic Pictures, where he held various positions including chief executive officer, executive vice president and chief technical officer. Prior to starting Dynamic Pictures, Kelleher spent eight years at Digital Equipment Corp., where he served as head graphics designer for the MIPS-based development team in Palo Alto, Calif.

Kelleher holds a BS degree in computer science from Brown University.
