NVIDIA Sets Conference Call for Second-Quarter Financial Results

CFO Commentary to Be Provided in Writing Ahead of Call

SANTA CLARA, CA -- NVIDIA (NASDAQ: NVDA) will host a conference call on Thursday, Aug. 11, at 2 p.m. Pacific Time (PT), to discuss its financial results for the second quarter of fiscal year 2012, ended July 31, 2011.

The company's prepared remarks will be followed by a question and answer session, which will be limited to questions from financial analysts and institutional investors.

Ahead of the call, NVIDIA will provide written commentary on its second-quarter results from its interim CFO. This material will be posted to www.nvidia.com/ir immediately after the results press release is distributed at approximately 1:20 p.m. PT.

To listen to the conference call, dial (706) 679 2572; no password is required. The conference call will also be webcast live (in listen-only mode) at the following websites: www.nvidia.com and www.streetevents.com.

The press release announcing NVIDIA's results will be distributed over a national wire service prior to the conference call and posted at the company's website: www.nvidia.com.

A replay of the conference call will be available until Aug. 18, 2011, at (404) 537 3406, conference ID 87726633. The webcast will be recorded and available for replay until the company's conference call to discuss financial results for its third quarter of fiscal year 2012.

About NVIDIA
NVIDIA (NASDAQ: NVDA) awakened the world to the power of computer graphics when it invented the GPU in 1999. Since then, it has consistently set new standards in visual computing with breathtaking, interactive graphics available on devices ranging from tablets and mobile phones to notebooks and workstations. NVIDIA's expertise in programmable GPUs has led to breakthroughs in parallel processing which make supercomputing inexpensive and widely accessible. The Company holds more than 1,900 issued patents worldwide, including ones covering designs and insights that are essential to modern computing. For more information, see www.nvidia.com.

Certain statements in this press release including, but not limited to statements as to: the effects of the company's patents on modern computing are forward-looking statements that are subject to risks and uncertainties that could cause results to be materially different than expectations. Important factors that could cause actual results to differ materially include: global economic conditions; our reliance on third parties to manufacture, assemble, package and test our products; the impact of technological development and competition; development of new products and technologies or enhancements to our existing product and technologies; market acceptance of our products or our partners products; design, manufacturing or software defects; changes in consumer preferences or demands; changes in industry standards and interfaces; unexpected loss of performance of our products or technologies when integrated into systems; as well as other factors detailed from time to time in the reports NVIDIA files with the Securities and Exchange Commission, or SEC, including its Form 10-Q for the fiscal quarter ended May 1, 2011. Copies of reports filed with the SEC are posted on the company's website and are available from NVIDIA without charge. These forward-looking statements are not guarantees of future performance and speak only as of the date hereof, and, except as required by law, NVIDIA disclaims any obligation to update these forward-looking statements to reflect future events or circumstances.
