NVIDIA Announces Financial Analyst Day, Upcoming Events With Financial Community

SANTA CLARA, CA -- NVIDIA (NASDAQ: NVDA) today announced that it will host its annual Financial Analyst Day at its headquarters in Santa Clara, Calif., on Tuesday, March 8, 2011 from 9:00 a.m. to approximately 4:00 p.m. Pacific Time.

A live webcast of the event will be available through NVIDIA's Investor Relations website at www.nvidia.com/investor.

Separately, NVIDIA stated that it will participate in the following upcoming financial conferences:

Goldman Sachs - Technology and Internet Conference
Thursday, Feb. 17, 9:40 a.m. Pacific Time (12:40 p.m. Eastern Time)
Westin St. Francis, San Francisco

Morgan Stanley - Technology, Media and Telecoms Conference
Monday, Feb. 28, 1:35 p.m. Pacific Time (4:35 p.m. Eastern Time)
Palace Hotel, San Francisco

Wedbush Securities - Technology, Media and Telecommunications Conference
Thursday, March 10, 11:20 a.m. Pacific Time (2:20 p.m. Eastern Time)
Le Parker Meridien, New York City

Interested parties can listen to a live audio webcast of NVIDIA's presentation at each of these these events, available on the NVIDIA website at www.nvidia.com/investor. A replay of the webcast will be available for seven days after each event.

About NVIDIA
NVIDIA (NASDAQ: NVDA) awakened the world to the power of computer graphics when it invented the GPU in 1999. Since then, it has consistently set new standards in visual computing with breathtaking, interactive graphics available on devices ranging from tablets and portable media players to notebooks and workstations. NVIDIA's expertise in programmable GPUs has led to breakthroughs in parallel processing which make supercomputing inexpensive and widely accessible. The Company holds more than 1,700 patents worldwide, including ones covering designs and insights that are essential to modern computing. For more information, see www.nvidia.com.

Certain statements in this press release including, but not limited to statements as to: the effects of the company's patents on modern computing are forward-looking statements that are subject to risks and uncertainties that could cause results to be materially different than expectations. Important factors that could cause actual results to differ materially include: global economic conditions; our reliance on third parties to manufacture, assemble, package and test our products; the impact of technological development and competition; development of faster or more efficient technology; design, manufacturing or software defects; changes in consumer preferences or demands; changes in industry standards and interfaces; unexpected loss of performance of our products or technologies when integrated into systems; as well as other factors detailed from time to time in the reports NVIDIA files with the Securities and Exchange Commission, or SEC, including its Form 10-Q for the fiscal period ended October 31, 2010. Copies of reports filed with the SEC are posted on the company's website and are available from NVIDIA without charge. These forward-looking statements are not guarantees of future performance and speak only as of the date hereof, and, except as required by law, NVIDIA disclaims any obligation to update these forward-looking statements to reflect future events or circumstances.
